

Thank you to neighbor Patrick Moulin of Ground Penetrating Radar Services for his help with the clubhouse road project! Patrick scanned our path to locate electrical and water lines before we started grading.

One Great Neighborhood: Three Great Events

First: Join your neighbors for a pot-luck dinner (sponsored by LLECC) and help say good bye to the summer on Lake Lucerne on Saturday, September 8th at the Clubhouse starting at 7:00 p.m.

Bring a dish for your family and to share with your neighbors. Water, ice tea, and paper products provided. Feel free to BYOB.

Lawn games will include Yardzee dice, Corn Hole and Putt Putt Golf. Due to a July 4th aerial display malfunction we ended up with some left over items that will fill the sky over the water at dark thirty!

If you are interested in helping with hosting, volunteering for a kid's corner or just have questions, please call 770-558-2904 or email littlelakeevent@gmail.com.

Then: Looking for fun, free, family-friendly things to do? Look no further than LLE Family Fun Day. With a bouncy house, face-painting, snacks and drinks supplied, the clubhouse lawn will have it all. Round up the little ones and swing by from 2:30 to 6 p.m on Saturday, September 29.

Finally: Mark your calendars and get set to join the fun at the 3rd annual Lake Lucerne Estates Crocktoberfest from 2 to 4 p.m. on October 7th.

For the uninitiated, this LLE signature event sees Crockers dishing out their crockpot creations to compete for Taster's votes. All entries must be **prepared** in a crock pot though not necessarily cooked. Use your creativity and come armed with an appetizer, (Continued on Page 3)

Granting Access

Of all the improvements to the Lake Lucerne Estates Civic Club clubhouse and grounds completed in recent years, the new road, granting vehicular access from the parking lot to the clubhouse, is perhaps the most striking. The crushed brick driving path runs from the parking lot to the clubhouse, and is almost complete. Thanks to the tireless efforts of a dedicated few, not only is the

project set to be completed soon, it also very likely that it will come in under budget. Once pavers have been added to the ‘turn-around circle’, the joint endeavor of Little Lake Event and Lake Lucerne Estates Civic Club will be finished.

Lake Lucerne Estates Civic Club meetings are held on the third Thursday of ‘odd’ months. The next meeting will be held on Thursday, September 20th at 7:30 pm. It is the hope of all involved in bringing this project to completion that, by making the clubhouse more accessible to those with limited mobility, some of our longer-term residents will find it easier to attend meetings and have their voices heard.

Our Lilburn location is conveniently located right on Stone Mountain Hwy, on the shores of Lake Lucerne. It is our first school which opened it's doors in 1984!
